Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Southeast Middle School has spent the entire 2011-2012 school year with a reinvigorated focus on the whole child. We believe strongly in the middle school concept and have worked tirelessly to incorporate that belief in everything we do.

Following the key practices of the Making Middle Grades Work model, we paid close attention to increased rigor in instruction and the use of integrated units of study. By using assessment data we identified specific areas of weakness in individual students and offered the appropriate content and level of instruction through our response to intervention model.

We also focused on strengthening non-academic areas of the learning environment. We offered a detailed weekly advisory class for all students that covered topics from bullying, to career development. In addition to social development we sought to offer more opportunities for involvement through co-curricular activities.

Our efforts proved successful; and are evident in our many honors and awards earned this school year. Southeast was named a Palmetto Silver Award Recipient, for three years of a successful growth rating. As measured by the PASS exam. Our math department was busy offering many afterschool activities for eager math students. These activities once again earned us the Silver Level Status in the MATHCOUNTS Club. The science club participated in the "Disney Planet Challenge" competition. Our students had the opportunity to travel the community collecting ground water samples and testing the samples for contaminants. We also had 22 Middle School Scholar Recipients and one Duke Tip honoree.

Our co-curricular extension resulted in both the band and chorus being invited to participate in exhibitions at Disney World in Orlando, Florida. Our orchestra also competing in the "Orlando Fest" a southeastern regional orchestra completion, earning a rating of excellent and taking top honors in the middle school division. Our student council collected over 1400lbs of food for Harvest Hope food bank and raised a record breaking dollar amount for "Pennies for Patients." The dance program won a highly sought after session with renowned professional dancer Saza Dominic through a competition hosted by the University of South Carolina. We once again had students published in "Kids Print. We had a teacher to present at the European League of Middle Level Educators Conference and one to be featured as artist of the week in a statewide travel magazine. Once again our basketball teams enjoyed wonderful seasons. Our girls team ended the season with an undefeated record and the boys team were Middle School District Champions for a third consecutive year.

Although there are many accomplishments to be proud of, we believe in continuous improvement. We will continue to meet the needs of our students through constant data review, professional development and support from all stakeholders.

Yolanda Taylor, SIC Chairperson
Stacey C. Whitaker, Principal
